# CLARION COOLERS FACTORY AND HEAD OFFICE

Sirsa, India

**1,00,000 SQ. FT.  
FACILITY**

Clarion Coolers operates from its state-of-the-art Factory and Head Office in Sirsa, India, spread across **an expansive 1,00,000 sq. ft. facility**. Equipped with advanced manufacturing systems and a skilled workforce, the Sirsa unit serves as the backbone of our innovation, quality control, and nationwide distribution. From design to dispatch, every cooler is crafted with precision, ensuring the reliability and performance that Clarion is known for across India.

# WHO WE ARE...

---

Clarion Air Coolers is a trusted name in cooling solutions, known for delivering quality products and upholding strong commitments to both customers and suppliers. With a wide distributor network across **Haryana, Rajasthan, Punjab, Delhi, Himachal Pradesh, Uttar Pradesh, and Chhattisgarh**, we ensure reliable service and easy availability. Serving the nation since 1984, Clarion continues to stand for durability, performance, and customer-first values – making comfort accessible to households across India.

## OUR MISSION

---

To deliver strong, reliable cooling for every home – truly "Ghar Ghar Mein Clarion." Efficient, durable, and made for Indian summers.

## OUR PURSUIT

---

To provide high quality cooling solutions for every home and industry
